

**DAP****18-46**(Diammonium  
Phosphate)

## DAP 18-46 (Diammonium Phosphate)

**Enreaching**  
**High Productivity**

- Concentrated nitrate-free NP fertiliser
- Improves plant resistance to stress such as drought or frost and certain diseases
- Contains phosphate in soluble, readily-available form
- Increases the sugar content in fruit and rooting of crops
- Especially efficient as the main fertiliser for cereals, fodder-crops and vegetables and as a supplementary dressing for fruits
- Suitable for greenhouse application
- Excellent spreading characteristic due to superb granule strength
- Produced from pure raw materials
- Suitable both for straight application and blending.

### Packaging and Storage

DAP 18-46 is available in 25 Kg. , 50 Kg. and in bulk under plastic sheeting, mineral fertilizer, specialized containers.

Store in covered storage facilities, protect the product from no body moisture.

### Guaranteed Analysis

#### Appearance

Granules from green to brown color

Total nutrient content, % min.

64%

Total Nitrogen (N), min.

18%

Phosphorus pentaoxide ( $P_2O_5$ )

46%

Moisture content, max.

1.8%

### Granulometric composition:

Under 1 mm	3%
2-5 mm	95%
Under 6 mm	100%
Granule static strenght, min.	3.0MPa
Friability, min.	100%
